Your Party will include:

- 2 Hours of Fun Bowling & Party Time
- Commemorative Bowling Pin for All of the Guests to Sign
- Light-weight Bowling Balls and Bumpers
- Everything Ready When You Arrive
- Adults Can Bowl for the Same Price

Cake & ice-cream are welcome, but all other outside food or drinks are not permitted

\*Cosmic Bowling may be added for more fun for an additional \$30

A \$40 non-refundable room rental fee is required to book your party

This is How it Works Best:

1. Kids remove their street shoes and line the shoes up near the party area. They can then proceed to the counter to get their bowling shoes.
2. Kids bowl and have a great time
3. Turn in the bowling shoes, put their street shoes back on, and have a seat in the party area.
4. Pizza and pop are served
5. The bowling pin is passed around for all the guests to sign while they are eating.
6. Sing "Happy Birthday" and serve cake
7. Open gifts! (time permitting)
